948.101 Terms and conditions of community control and criminal quarantine community control. —

(1) The court shall determine the terms and conditions of community control. Conditions specified in this subsection do not require oral pronouncement at the time of sentencing and may be considered standard conditions of community control.

(a) The court shall require intensive supervision and surveillance for an offender placed into community control, which may include but is not limited to:

1. Specified contact with the parole and probation officer.
2. Confinement to an agreed-upon residence during hours away from employment and public service activities.
3. Mandatory public service.
4. Supervision by the Department of Corrections by means of an electronic monitoring device or system.
5. The standard conditions of probation set forth in s. 948.03.

(b) For an offender placed on criminal quarantine community control, the court shall require:

1. Electronic monitoring 24 hours per day.
2. Confinement to a designated residence during designated hours.

(2) The enumeration of specific kinds of terms and conditions does not prevent the court from adding thereto any other terms or conditions that the court considers proper. However, the sentencing court may only impose a condition of supervision allowing an offender convicted of s. 794.011, s. 800.04, s. 827.071, or s. 847.0145 to reside in another state if the order stipulates that it is contingent upon the approval of the receiving state interstate compact authority. The court may rescind or modify at any time the terms and conditions theretofore imposed by it upon the offender in community control. However, if the court withholds adjudication of guilt or imposes a period of incarceration as a condition of community control, the period may not exceed 364 days, and incarceration shall be restricted to a county facility, a probation and restitution center under the jurisdiction of the Department of Corrections, a probation program drug punishment phase I secure residential treatment institution, or a community residential facility owned or operated by any entity providing such services.

(3) The court may place a defendant who is being sentenced for criminal transmission of HIV in violation of s. 775.0877 on criminal quarantine community control. The Department of Corrections shall develop and administer a criminal quarantine community control program emphasizing intensive supervision with 24-hour-per-day electronic monitoring. Criminal quarantine community control status must include surveillance and may include other measures normally associated with community control, except that specific conditions necessary to monitor this population may be ordered.

The sexual offender must provide or update all of the registration information required under paragraph (2)(b). The sexual offender must provide an address for the residence or other location that he or she is or will be occupying during the time in which he or she fails to establish or maintain a permanent or temporary residence.

(c) A sexual offender who remains at a permanent residence after reporting his or her intent to vacate such residence shall, within 48 hours after the date upon which the offender indicated he or she would or did vacate such residence, report in person to the agency to which he or she reported pursuant to paragraph (b) for the purpose of reporting his or her address at such residence. When the sheriff receives the report, the sheriff shall promptly convey the information to the department. An offender who makes a report as required under paragraph (b) but fails to make a report as required under this paragraph commits a felony of the second degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(d) A sexual offender must register any electronic mail address or instant message name with the department prior to using such electronic mail address or instant message name on or after October 1, 2007. The department shall establish an online system through which sexual offenders may securely access and update all electronic mail address and instant message name information.

(5) This section does not apply to a sexual offender who is also a sexual predator, as defined in s. 775.21. A sexual predator must register as required under s. 775.21.

(6) County and local law enforcement agencies, in conjunction with the department, shall verify the addresses of sexual offenders who are not under the care, custody, control, or supervision of the Department of Corrections in a manner that is consistent with the provisions of the federal Adam Walsh Child Protection and Safety Act of 2006 and any other federal standards applicable to such verification or required to be met as a condition for the receipt of federal funds by the state. Local law enforcement agencies shall report to the department any failure by a sexual offender to comply with registration requirements.

(7) A sexual offender who intends to establish residence in another state or jurisdiction other than the State of Florida shall report in person to the sheriff of the county of current residence within 48 hours before the date he or she intends to leave this state to establish residence in another state or jurisdiction. The notification must include the address, municipality, county, and state of intended residence. The sheriff shall promptly provide to the department the information received from the sexual offender. The department shall notify the statewide law enforcement agency, or a comparable agency, in the intended state or jurisdiction of residence of the sexual offender's intended residence. The failure of a sexual offender to provide his or her intended place of residence is punishable as provided in subsection (9).

(8) A sexual offender who indicates his or her intent to reside in another state or jurisdiction other than the State of Florida and later decides to remain in this state shall, within 48 hours after the date upon which the sexual offender indicated he or she would leave this state, report in person to the sheriff to which the sexual offender reported the intended change of residence, and report his or her intent to remain in this state. The sheriff shall promptly report this information to the department. A sexual offender who reports his or her intent to reside in another state or jurisdiction but who remains in this state without reporting to the sheriff in the manner required by this subsection commits a felony of the second degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(9)(a) A sexual offender who does not comply with the requirements of this section commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(b) A sexual offender who commits any act or omission in violation of this section may be prosecuted for the act or omission in the county in which the act or omission was committed, the county of the last registered address of the sexual offender, or the county in which the conviction occurred for the offense or offenses that meet the criteria for designating a person as a sexual offender.

(c) An arrest on charges of failure to register when the offender has been provided and advised of his or her statutory obligations to register under subsection (2), the service of an information or a complaint for a violation of this section, or an arraignment on charges for a violation of this section constitutes actual notice of the duty to register. A sexual offender's failure to immediately register as required by this section following such arrest, service, or arraignment constitutes grounds for a subsequent charge of failure to register. A sexual offender charged with the crime of failure to register who asserts, or intends to assert, a lack of notice of the duty to register as a defense to a charge of failure to register shall immediately register as required by this section. A sexual offender who is charged with a subsequent failure to register may not assert the defense of a lack of notice of the duty to register.

(d) Registration following such arrest, service, or arraignment is not a defense and does not relieve the sexual offender of criminal liability for the failure to register.

(10) The department, the Department of Highway Safety and Motor Vehicles, the Department of Corrections, the Department of Juvenile Justice, any law enforcement agency in this state, and the personnel of those departments; an elected or appointed official, public employee, or school administrator; or an employee, agency, or any individual or entity acting at the request or upon the direction of any law enforcement agency is immune from civil liability for damages for good faith compliance with the requirements of this section or for the release of information under this section, and shall be presumed to have acted in good faith in compiling, recording, reporting, or releasing the information. The presumption of good faith is not overcome if a technical or clerical error is made by the department, the Department of Highway Safety and Motor Vehicles, the Department of Corrections, the Department of Juvenile

Justice, the personnel of those departments, or any individual or entity acting at the request or upon the direction of any of those departments in compiling or providing information, or if information is incomplete or incorrect because a sexual offender fails to report or falsely reports his or her current place of permanent or temporary residence.

(11) Except as provided in s. 943.04354, a sexual offender must maintain registration with the department for the duration of his or her life, unless the sexual offender has received a full pardon or has had a conviction set aside in a postconviction proceeding for any offense that meets the criteria for classifying the person as a sexual offender for purposes of registration. However, a sexual offender:

(a)1. Who has been lawfully released from confinement, supervision, or sanction, whichever is later, for at least 25 years and has not been arrested for any felony or misdemeanor offense since release, provided that the sexual offender's requirement to register was not based upon an adult conviction;

a. For a violation of s. 787.01 or s. 787.02;

b. For a violation of s. 794.011, excluding s. 794.011(10);

c. For a violation of s. 800.04(4)(b) where the court finds the offense involved a victim under 12 years of age or sexual activity by the use of force or coercion;

d. For a violation of s. 800.04(5)(b);

e. For a violation of s. 800.04(5)c.2. where the court finds the offense involved unclothed genitals or genital area;

f. For any attempt or conspiracy to commit any such offense; or

g. For a violation of similar law of another jurisdiction,

may petition the criminal division of the circuit court of the circuit in which the sexual offender resides for the purpose of removing the requirement for registration as a sexual offender.

2. The court may grant or deny relief if the offender demonstrates to the court that he or she has not been arrested for any crime since release; the requested relief complies with the provisions of the federal Adam Walsh Child Protection and Safety Act of 2006 and any other federal standards applicable to the removal of registration requirements for a sexual offender or required to be met as a condition for the receipt of federal funds by the state; and the court is otherwise satisfied that the offender is not a current or potential threat to public safety. The state attorney in the circuit in which the petition is filed must be given notice of the petition at least 3 weeks before the hearing on the matter. The state attorney may present evidence in opposition to the requested relief or may otherwise demonstrate the reasons why the petition should be denied. If the court denies the petition, the court may set a future date at which the sexual offender may again petition the court for relief, subject to the standards for relief provided in this subsection.

3. The department shall remove an offender from classification as a sexual offender for purposes of registration if the offender provides to the department a certified copy of the court's written findings or order that indicates that the offender is no longer required to comply with the requirements for registration as a sexual offender.

(b) As defined in sub-subparagraph (1)(a)1.b. must maintain registration with the department for the duration of his or her life until the person provides the department with an order issued by the court that designated the person as a sexual predator, as a sexually violent predator, or by another sexual offender designation in the state or jurisdiction in which the order was issued which states that such designation has been removed or demonstrates to the department that such designation, if not imposed by a court, has been removed by operation of law or court order in the state or jurisdiction in which the designation was made, and provided such person no longer meets the criteria for registration as a sexual offender under the laws of this state.

(12) The Legislature finds that sexual offenders, especially those who have committed offenses against minors, often pose a high risk of engaging in sexual offenses even after being released from incarceration or commitment and that protection of the public from sexual offenders is a paramount government interest. Sexual offenders have a reduced expectation of privacy because of the public's interest in public safety and in the effective operation of government. Releasing information concerning sexual offenders to law enforcement agencies and to persons who request such information, and the release of such information to the public by a law enforcement agency or public agency, will further the governmental interests of public safety. The designation of a person as a sexual offender is not a sentence or a punishment but is simply the status of the offender which is the result of a conviction for having committed certain crimes.

(13) Any person who has reason to believe that a sexual offender is not complying, or has not complied, with the requirements of this section and who, with the intent to assist the sexual offender in eluding a law enforcement agency that is seeking to find the sexual offender to question the sexual offender about, or to arrest the sexual offender for, his or her noncompliance with the requirements of this section:

(a) Withholds information from, or does not notify, the law enforcement agency about the sexual offender's noncompliance with the requirements of this section, and, if known, the whereabouts of the sexual offender;

(b) Harbors, or attempts to harbor, or assists another person in harboring or attempting to harbor, the sexual offender; or

(c) Conceals or attempts to conceal, or assists another person in concealing or attempting to conceal, the sexual offender; or

(d) Provides information to the law enforcement agency regarding the sexual offender that the person knows to be false information,

commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(14)(a) A sexual offender must report in person each year during the month of the sexual offender's birthday and during the sixth month following the sexual offender's birth month to the sheriff's office in the county in which he or she resides or is otherwise located to reregister.

(b) However, a sexual offender who is required to register as a result of a conviction for:

1. Section 787.01 or s. 787.02 where the victim is a minor and the offender is not the victim's parent or guardian;

2. Section 794.011, excluding s. 794.011(10);
3. Section 800.04(4)(b) where the court finds the offense involved a victim under 12 years of age or sexual activity by the use of force or coercion;
4. Section 800.04(5)(b);
5. Section 800.04(5)(c)1. where the court finds molestation involving unclothed genitals or genital area;
6. Section 800.04(5)(c)2. where the court finds molestation involving unclothed genitals or genital area;
7. Section 800.04(5)(d) where the court finds the use of force or coercion and unclothed genitals or genital area;
8. Any attempt or conspiracy to commit such offense; or
9. A violation of a similar law of another jurisdiction,

must reregister each year during the month of the sexual offender's birthday and every third month thereafter.

(c) The sheriff's office may determine the appropriate times and days for reporting by the sexual offender, which shall be consistent with the reporting requirements of this subsection. Reregistration shall include any changes to the following information:

1. Name; social security number; age; race; sex; date of birth; height; weight; hair and eye color; address of any permanent residence and address of any current temporary residence, within the state or out of state, including a rural route address and a post office box; any electronic mail address and any instant message name required to be provided pursuant to paragraph (4)(d); date and place of any employment; vehicle make, model, color, and license tag number; fingerprints; and photograph. A post office box shall not be provided in lieu of a physical residential address.
2. If the sexual offender is enrolled, employed, or carrying on a vocation at an institution of higher education in this state, the sexual offender shall also provide to the department the name, address, and county of each institution, including each campus attended, and the sexual offender's enrollment or employment status.
3. If the sexual offender's place of residence is a motor vehicle, trailer, mobile home, or manufactured home, as defined in chapter 320, the sexual offender shall also provide the vehicle identification number; the license tag number; the registration number; and a description, including color scheme, of the motor vehicle, trailer, mobile home, or manufactured home. If the sexual offender's place of residence is a vessel, live-aboard vessel, or houseboat, as defined in chapter 327, the sexual offender shall also provide the hull identification number; the manufacturer's serial number; the name of the vessel, live-aboard vessel, or houseboat; the registration number; and a description, including color scheme, of the vessel, live-aboard vessel or houseboat.
4. Any sexual offender who fails to report in person as required at the sheriff's office, or who fails to respond to any address verification correspondence from the department within 3 weeks of the date of the correspondence or who fails to report electronic mail addresses or

Instant message names, commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(d) The sheriff's office shall, within 2 working days, electronically submit and update all information provided by the sexual offender to the department in a manner prescribed by the department.
